

The 2019 Badlands Ukrainian Days

July 19-20, 2019 • Belfield, No Dak • www.badlandsukrainiandays.com

Look West! The Badlands Ukrainian Days is a fun-filled and family friendly Ukrainian experience featuring all the best of western North Dakota's Ukrainian heritage, including Ukrainian dance, food, music, vendors and entertainment!

And we're asking for your help!

Without the generosity of our community area businesses, organizations, and people, it would be nearly impossible to bring events such as the Badlands Ukrainian Days to our little piece of the prairie.

We have a great line up this year!

We work hard to provide all our sponsors with the best possible exposure for their support and look forward to working with you to provide a great cultural event for our western North Dakota community!

Thank you for your time and consideration.

Be Legendary.™

About the NDUDA: The Badlands Ukrainian Days event is organized by the North Dakota Ukrainian Dance Association (NDUDA). We are a 501c3 non-profit started in March 2005. Our primary mission is to support & promote Ukrainian dance though we quickly became much more than that. The NDUDA is constantly nurturing far reaching relationships with Ukrainian performance groups, events, organizations, and people across the United States, Canada, and Ukraine. We work diligently on behalf of our community to bring great Ukrainian events, projects, and programming to our home in western North Dakota.
